DoDEA's New College and Career Readiness Standards

Department of Defense Education Activity (DoDEA) is continuing to roll out new curriculum standards in all schools worldwide. They are called the College and Career Readiness Standards (CCRS).

For the 2016-2017 school year:

- Year two of CCRS-Math, grades K-5
- Year one of CCRS-Math, grades 6-8
- Pre-implementation year of CCRS-Math, grades 9-12
- Year one of CCRS-Literacy, grades 6-12

Detailed information regarding implementation will be provided at the open house meetings for parents.

Student Transportation Overview

Student transportation to and from school is managed by a centralized Vicenza Schools transportation office. Contracted school buses pick up and drop off students according to stop information provided on student bus passes. Every registered rider must display their bus pass to the safety attendant prior to boarding the bus.

The school commuting area is defined as a specific geographic area, used to determine eligibility for transportation students to a DoD-operated school. School bus services are provided to all authorized students residing within the designated commuting area. Maps are available at the housing office and the transportation office, located at the Villagio school complex.

If family housing is obtained outside of the commuting area, transportation of dependent student to the school or to existing school bus stops within the commuting area is the sponsor's responsibility.

Please note: The commuting zone has several areas where school buses may not travel, due to road restriction, narrow roads, railroad crossings and dead ends.

DoDEA Student Transportation Behavior Standards

School bus transportation is a privilege that may be suspended or revoked. DoDEA will strictly enforce school bus rules. Students failing to comply with school bus rules may find their bus riding privileges suspended or revoked up to the rest of the school year. When this happens, sponsors/parents/guardians assume all responsibility for transporting their student(s) to and from school.

School Bus Behavior Standards

1. Comply with all school rules and with the “Behavior Standards for School Bus Riders”
2. Board and exit the bus in an orderly, safe manner.
3. Present bus pass when boarding the bus, and upon demand.
4. Remain seated while on the bus.
5. Talk with other passengers in a normal voice.
6. Keep all parts of the body inside the bus windows.
7. Keep aisles, steps, and empty seats free from obstruction.
8. Remain fully and properly clothed.
9. Treat the driver and fellow students with respect.
10. Promptly comply with the bus driver's or attendant's instructions.
11. Treat the bus and other private property with care.

Italian Television Fee

Lew Smith

Info-X

RAI Television fee has to be paid by anyone owning a private Television whether they watch Italian TV or not.

Due to numerous people not paying the annual fee the Italian Government has ordered that this amount will be added to everyone's electrical bills.

Service members and DoD civilians may request an exemption to this by.

- Compiling the request for exemption form available at Housing with full name, Date moved into home, DEROS date and Codice Fiscale,
- Photocopy of a valid ID must be attached.
- Papers must be tri-folded and scotch taped without an envelope and the civilian return address written on the front left corner.
- Send by registered mail without an envelope.

Initially SJA wrote to the Italian Finance office in Torino to obtain a blanket exemption Tax office but this was not possible.

Occupants of Villaggio, government leased quarters and barracks will not be affected as the electrical bills are in the U.S Government's name and automatically
