Oversized Housing Allowance (OHA) Survey: The Overseas Housing Allowance (OHA) Utility Expenses Survey is conducted annually on behalf of the Department of Defense, by the Allowances Branch of the Defense Travel Management Office (DTMO). This year, the survey will be conducted from 1 to 31 July for Italy and will also include the Moving in expense survey for the Moving in Housing Allowances (MIHA) miscellaneous expenses which is done every three years. The survey is designed to collect utility and recurring maintenance expense data incurred by Uniformed Service members stationed overseas, who reside in private housing. Your data assists in determining the Utility/Recurring Maintenance Allowance paid to Service members in the country surveyed. If you receive OHA you should participate in the survey. The deadline to complete the survey is close of business (COB) 31 July. Please access the following link to take the survey: https://www.defensetravel.dod.mil/site/ohaSurvey.cfm?ID=jul-ultimo.
